You never know until you write a column, how many wonderful folks there really are in this world. I have received so many interesting letters and I am indeed grateful to all of you.

I recently spent some time at Ontario International Airport and among the interesting sights was the Air Museum. Now I know every one isn't interested in old air-planes, but some of us are. Not only is this an unusual display, but it is within a stone's throw of RTD 60 line. Dads, this spot would interest Junior no end.

By the time you read this, the baseball season will have started at Dodger Stadium and Anaheim. If you have never seen a major league game, why don't you? If you already have, this is a brand new season. The RTD offers service to Dodger Stadium from 8th and Spring and Angel Stadium service from the new RTD terminal at 6th and Los Angeles. Enjoy baseball at its finest by arriving relaxed and ready for action. Drop me a line and I'll send you a baseball folder and map.

The headlines in the paper several days ago said insurance rates are going up, making it even more expensive to drive to work. Add to this, the buck or two you spend on parking every day, plus a banged up fender here and there that will cost you your 50 or 100 dollar deductible. All in all, driving to work can be rather costly. There is a way, however, that can save some of you a bundle. I realize not every one can use the bus, but many can. A monthly pass will give you unlimited one zone riding for the very low cost of \$12.00. Send for a brochure on the monthly pass today and start keeping some of that long green in your wallet. After all, you're the one who worked for it.

Q. How can I get to Huntington Park from El Segundo? Mrs. R.J.M.

A. Thanks for the kind words at the bottom of your letter. You can catch the 51 line in El Segundo, ride to 7th and Olive and transfer to the 9 line going east on 7th. This bus will take you to downtown Huntington Park.

Q. How can I go to Farmer's Market from El Segundo? J.J.D.

A. Catch the RTD 13 line in El Segundo and ride to Venice and National. Change to the 75 line on Venice to Fairfax, and then change to the 89 Fairfax bus to Farmer's Market.

Q. What time and how often can I get a bus from Little Company of Mary Hospital to Redondo Beach and return? Mrs. H. C.

A. That would be the Greyhound local and you can get the necessary information from the agent in Redondo Beach.

Q. How can I go from El Segundo to the Del Amo Shopping Center? Please send me a system map and new timetables. Mrs. M. E.

A. Take the 51 line to Torrance Boulevard and Pacific Avenue or Catalina and change to the 101 line to the Del Amo Center.

Q. How long does it take to get to the Federal Building in downtown Los Angeles from Lawndale? Mrs. J.O.C.

A. About an hour and 20 minutes on the local; and hour and 10 minutes on they flyers. Check your timetable for a time you can use.

Send your questions to Artie Dee, Transportation Editor, care of this newspaper. All questions will be answered in the columns, or by mail. A system map will be sent FREE to each person writing in. NO STAMPS OR STAMPED ENVELOPES ARE NECESSARY.
